HOMES FOR THE BRAVE

In 2019 we helped 375 veterans like D. Manson secure or maintain housing through our emergency assistance program.

D., a disabled Navy veteran, recently moved to Las Vegas for work with his wife and two young daughters. Soon he became hospitalized with a serious infection and was out of work for weeks with no pay. The loss of income compounded with medical expenses quickly put the family behind and they were facing an eviction from their home. With the support of our friends and partners, Kline Fund was there to provide a safety net for this veteran family.

Many local vets like Manson have honorably served our country and now find themselves in crisis, needing help with rent or utilities due to a temporary financial setback or lacking the security deposit to secure a permanent home.
