VA SPONSORED HOUSING PROGRAMS

“Leading the Path Home”

The U.S. Department of Veterans Affairs (VA) supports a range of housing programs for Veterans and their families who are experiencing housing instability in the greater Las Vegas (LV) area. Below is an overview and contact information for each.

★ U.S. Department of Housing and Urban Development-VA Supportive Housing (HUD-VASH)

This collaborative program between HUD and VA combines HUD housing vouchers with VA supportive services to help Veterans who are experiencing housing instability and their families find and sustain permanent rental housing.

How It Works

- Through public housing authorities, HUD provides rental assistance vouchers for privately owned housing to Veterans who are eligible for VA health care services and are experiencing homelessness.
- VA case managers may connect these Veterans with support services such as health care, mental health treatment, and substance use counseling to help them with their recovery process and ability to maintain housing in the community.

For More information

- See [HUD-VASH Program from VA](#)
- See [HUD-VASH Program from HUD](#)
- See [Southern Nevada VAMC HUD-VASH page](#) – North Las Vegas VA Medical Center | VA Southern Nevada Health Care | Veterans Affairs
- To learn more about how to be involved, contact your HUD-VASH Team at [email / phone].

★ Supportive Services for Veteran Families (SSVF)

For very low-income Veterans, SSVF provides rental assistance, case management, and a range of supportive services to prevent the imminent loss of a Veteran’s home or identify a new housing situation for the Veteran and his or her family.

How It Works

- Through referrals and direct outreach, SSVF teams from U.S.VETS, the Salvation Army and Nation’s Finest use SSVF funding to quickly house Veterans and their families who have unstable housing situations by providing rental assistance and specialized supportive services.
- Case management includes help securing VA and other benefits such as educational aid and financial planning, housing search assistance and job placement supports.

For More Information

- See [VA SSVF Program](#)
- To learn more about how to be involved, contact the SSVF Teams at:
 - **U.S.VETS:** rmayer@usvets.org

 - **Nation’s Finest:** Raymond White, rwhite@nationsfinest.org

★ Grant and Per Diem/Healthcare for Homeless Veterans Transitional Housing Programs (GPD/HCHV)

The VA provides GPD and HCHV sponsors with capital grants and operating assistance to develop/operate specialized transitional housing (TH) for Veterans who are experiencing housing instability.

How It Works

- The VA supports several GPD/HCHV transitional housing programs offering a range of specialized TH programs for both individual Veterans and Veteran Families in the Greater LV Area.
- The maximum stay in this housing is up to 24 months, with the goal of moving Veterans into permanent rental housing.
- GPD/HCHV TH programs work with an assigned liaison from the local VA Medical Center who monitors the services the grantees offer to Veterans and provides direct assistance.

- Grantees collaborate with landlords and community-based organizations to connect Veterans with employment, housing, and additional social services to promote housing stability.

For More Information

- See [VA GPD Transitional Housing Program](#)
- To learn more about the GPD/HCHV transitional housing programs in the Greater Las Vegas area, contact Gigi Simmons at Gigi.simmons@va.gov or (702) 305-7452

Supportive Services for Veteran Families (SSVF)

For very low-income Veterans, SSVF provides case management and supportive services to prevent the imminent loss of a Veteran's home or identify a new, more suitable housing situation for the individual and their family; or to rapidly re-house Veterans and their families who are homeless and might remain homeless without this assistance.

Through referrals and direct outreach, nonprofit agencies and community cooperatives use SSVF funding to quickly house Veterans and their families who are homeless and keep others from slipping into homelessness by providing time-limited supportive services that promote housing stability. Case management includes help securing VA and other benefits such as educational aid and financial planning.

Supplemental Nutrition Assistance Program (SNAP)

Many Nevadans have trouble making ends meet each month. After paying for rent, utilities, transportation and child care, there is often little left over to buy nutritious food. But it doesn't have to be that way. Each month, thousands of families across the state turn to the Nevada State Division of Welfare and Supportive Services for assistance in the form of SNAP benefits to help feed their families.

Transportation

The Disabled Veterans (DAV) Transportation Network System for Southern Nevada

Offers veterans a means of transportation to VA medical appointments at VA medical facilities who otherwise have no means of transportation.

Hours of Operation: Monday- Friday 7:00 a.m.-1:00 p.m.

What information is needed?

Name, Last four digits of social security number, the location of the clinic, the time and date of your appointment, as well as the veterans phone number.

Call for a DAV Ride:

Las Vegas Phone: 702-791-9000 ext. 46028 | Las Vegas Fax: 702-224-6936

Pahrump: 775-209-0126

Mesquite: 702-345-2811 (c/o Elk's Lodge)

Laughlin: 928-763-0028

Henderson: 702-249-4486

Additional Information:

The DAV requires that someone accompanies those with memory impairment along with a letter of verification from their provider or social worker. If the Veteran can not physically get on the vehicle unassisted, the driver is not authorized to take the Veteran to their appointment. At this point, we'd recommend the commercial companies (provided on the right panel of this page) that could assist the Veteran if they meet their specific criteria. All DAV drivers are volunteers without compensation for services they provide. The transportation program is a privilege, not a right.

Las Vegas Veterans Transportation Services (VTS)

Operated by the VA Southern Nevada Healthcare System, this program is designed to ensure that all qualifying veterans have access to care through convenient, safe, and reliable transportation.

VTS provides qualifying veterans with free transportation services to and/or from outpatient appointments at participating VA medical centers (VAMCs) in a multi-passenger van.

To coordinate your transportation:

Please contact the VA Southern Nevada Healthcare System at 1-844-859-5074.

VA Benefits

Survivor Benefits

The Survivor Benefits Plan allows veterans to have a portion of their monthly retired pay withheld in order to provide a monthly survivor benefit to a surviving spouse or other eligible recipient. These important benefits are essential for many people. Resources are available to help navigate the process.

- Veterans who died as a result of a service-related disability
- Certain veterans who are receiving 100% disability compensation from the VA at the time of their death.

For more information, please contact the VA at: 1-877-294-6380

Eligibility for VA Disability Benefits

VA disability compensation provides tax-free monthly payments. If you have a service-connected condition, you may be eligible for compensation.

A service-connected condition means an illness or injury that was caused by or got worse because of your active military service.

You may be eligible for VA disability benefits or compensation if you meet both of these requirements.

Both of these must be true:

You have a current illness or injury (known as a condition) that affects your mind or body, **and** You served on active duty, active duty for training, or inactive duty training.

And at least one of these must be true:

You got sick or injured while serving in the military—and can link this condition to your illness or injury (called an in-service disability claim), **or**

You had an illness or injury before you joined the military—and serving made it worse (called a pre-service disability claim), **or** You have a disability related to your active-duty service that didn't appear until after you ended your service (called a post-service disability claim).

If you have a presumptive condition, you don't need to prove that your service caused the condition. You only need to meet the service requirements for the presumption.

Find out more about these categories of presumptive conditions:

If you enlisted after September 7, 1980, or entered active duty after October 16, 1981

You must have served 24 continuous months or the full period for which you were called to active duty, unless any of the descriptions below are true for you.

- You were discharged for a disability that was caused or made worse by your active-duty service, **or**
- You were discharged for a hardship or “early out,” **or**
- You served prior to September 7, 1980

If you're a current or former member of the Reserves or National Guard:

If you served in certain locations and time periods during the Vietnam War era:

You're eligible for VA health care.

What should I do if I received an other than honorable, bad conduct, or dishonorable discharge?

If you've received one of these discharge statuses, you may not be eligible for VA benefits.
